

**FREE**  
FOR AGES  
BIRTH TO 3

# CIRCLE TIME

*Join us for stories, singing, and socialization!*

Our **free** monthly **Circle Time** is designed for children birth to three years old to play, make friends, and prepare for school and daycare participation in a fun and supportive learning environment.

Caregivers and their children will engage in songs, stories, games, gross motor activities, and crafts with a monthly theme. We will learn the basics of peer interactions, turn taking, and following a routine while playing in one of our fun-filled therapy gyms!

**Hatchery Hill Clinic:** 4th Thursday of the month, 10-11am
